

# SNOW MELTS...TRASH DOESN'T

JOIN THE **SURFRIDER FOUNDATION'S** (SEATTLE CHAPTER) **SNOWRIDER PROJECT** FOR  
**THE 12TH ANNUAL ALL-MOUNTAIN CLEAN UP**  
At the Summit at Snoqualmie

**Saturday, June 29<sup>th</sup>**  
**10AM**

We'll be gathering in the main parking lot at **Alpental**, by the pedestrian bridge. From there we'll break into groups so we can tackle each of the four base areas/ski hills at the summit...and the recycling center! We'll reconvene a few hours later back at Alpental for a BBQ.

Responsible families/groups/teams/troops/dogs are welcome. Trash bags and gloves will be provided. All food will be provided. Bring your own beverages. Please remember...this is the Cascade Range...be prepared for any and all types of weather, regardless of what is forecasted.
